(d) the financial assistance granted to the State in the last five years, year-wise?

THE MINISTER OF YOUTH AFFAIRS AND SPORTS (SHRI MANI SHANKAR AIYAR): (a) and (b) As 'Sports' figures in the 'State List' of the Constitution, the primary responsibility for the creation of sports infrastructure facilities lies with State Governments. Till 31.3.2005, the Ministry was supplementing the efforts of State Governments by providing assistance under the Centrally Sponsored Sports Infrastructure Schemes subject to receipt of viable proposals. But with effect from 1.4.2005, those schemes have been transferred to the State Sector, except to the extent that committed liabilities were met till 31.3.2005. During the last five years, no funds were provided to Goa under Centrally Sponsored Schemes to create sports infrastructure.

(c) and (d) With the support of the Union Government, the Sports Authority of India (SAI) operates a number of sports coaching and training schemes such as the National Sports Talent Contest Scheme (NSTCS) and the SAI Training Centre Scheme (STCS). Under the NSTCS, training is being imparted in football in Navodya Vidyalaya, Canacona. Similarly under the STCS, the Goa STC imparts training in different disciplines such as boxing, football, taekwondo, judo, athletics, kabaddi and swimming at Ponda, Mapusa (Peddem) and Margoa (Fatorda). Around 250 sportspersons are receiving training under the above mentioned schemes in Goa. SAI's expenditure in Goa over the last five years is of the order of Rs. 2.01 crore.
